

LIFE SERVICE IS ENDED

Mrs. Landon T. Chiles is Called From the Labors of this World To Home Above.

At the time when recovery from her recent accident seemed most probable, Mrs. Landon Thomas Chiles died suddenly at her home on West Main street Tuesday evening, July 31st. Burial was in Macpelah cemetery Thursday morning August 2nd.

Mrs. Chiles spent her life in our midst. To know her was to love her. She was born on Apperson Hill. All her joys and sorrows were experienced within sight of her birthplace. She lived in the old Apperson home until she was married and now after forty-eight years of married life, she has gone out from the same house and from under the same roof-tree to which she came a bride—she hath left it desolate.

Her horizon however was not circumscribed. Like the pebble cast into the ocean her influence for good and activities in behalf of others have widened till, who can measure or calculate their reach.

It was the rule of her life to build each day strong and sure and make it fit and acceptable to the Great Power who guided her life. "I shall pass this way but once, any good deed therefore that I may do or any kindness that I may show to any human being, let me do it now; let me not defer nor neglect it; for I shall not pass this way again," was her motto. When the sun went down and her day's work was finished she went to sleep confident that she would awake with the loved ones from whom she parted with such anguish. Safe with her Saviour she awaits the coming of the others. While there is an aching void in the hearts of her family and friends there is the happy consciousness that she is in that place where there is no more death, nor sorrow, nor pain.

"She has fought a good fight. She has finished her course. She has kept the faith. Henceforth there is laid up for her a crown of righteousness, which the Lord, the righteous judge, shall give her and all who love His appearing."

Her husband, Mr. Landon Thomas Chiles, and her three children, Mr. R. A. Chiles and Mrs. H. D. VanAntwerp, of this city, and Mrs. L. Tip-

ton Young, of Louisville, survive her. Our hearts go out to them in their bereavement.

A Card.

To the Citizens of Montgomery Co.:

Words cannot express to you my deep sense of gratitude for your unprecedented vote of confidence in Saturday's primary. In accepting the nomination for the highest office within your gift, I am fully conscious of my own limitations. Those of you who know my limited opportunities, do not expect of me big things; none of you expect the impossible, yet all of you have a right to expect that whatever knowledge I may have gained of the county's business, whatever ability I may possess and whatever of good lies in me, shall be devoted unselfishly to the public welfare.

I believe in the good sense and honesty of the people and know that in order to be the success, I have an ambition to be, I must have your united support and co-operation, regardless of politics or whether you happened to have voted for my worthy opponent or myself. I will enter upon the discharge of my new duties, with but one purpose—that of "making good," and I think the best way to do this is by complying with every campaign promise and by being the County Judge of all the people and not the representative of any set of men or particular section of the county.

Soliciting your friendly advice, assistance and confidence at all times during my administration and again thanking you for the many favors, I have received at your hands, I am, Gratefully yours, EARL W. SENFF.

PRIMARY PASSES OFF QUIETLY WITH NO TROUBLE ANYWHERE

Hon Makes Run-Away Race for State Senator—Greene for Clerk and Senff for Judge Sweep County, Senff Carrying Every Precinct in the County. Assessor's Race Closest In The County With Howell The Winner.

As will be seen from the official tabulation at the bottom of this page, Mr. George Hon, of Winchester, carried Montgomery county over his opponent, Mr. Abram Renick, by the largest majority on the ticket. Mr. Hon also carried Bourbon and Clark counties and his immense majority was the source of much gratification to his friends. County Court Clerk Keller Greene was nominated by the largest majority of any candidate for County office and carried 13 out of the 15 precincts. County Attorney Earl W. Senff was nominated for County Judge over Judge W. O. Chenault by the largest majority ever received in a Democratic primary for this office in more than a quarter of a century. Mr. Senff carried every precinct in the county. Mr. Wm. A. Samuels defeated Mr. John A. Judy by a majority that was a surprise even to his most ardent supporters. Mr. James Greer was the winner in the race for Jailer. Mr. John G. Roberts defeated Mr. W. F. Crooks by 81 votes and this was one of the hardest fought contests for this office this county has seen for many years. Mr. R. P. Winn was third in this contest. Sheriff Harry F. Howell won the nomination for Assessor

by a very narrow margin. Miss George V. Sledd, present School Superintendent, was the winner over Mrs. Fanny Hunt Priest by 30 votes and for the first time in the history of the county women were permitted to vote. Judge T. L. Candel, of Menefee county, carried this county and also Menefee county in the race for Representative in this district. Mr. R. G. Kern was elected Commissioner in the first district and Mr. Dan Welch was the winner in the second district. Mr. W. R. McKee defeated Mayor C. K. Oldham by 30 votes. Mr. Wm. Burns and Dr. W. B. Robinson were elected Councilmen in the 2nd Ward and Messrs. W. P. Apperson and J. Wells Wilkerson were winners in the 4th Ward. In the other wards there were no contests. Mr. T. B. Rodman was the winner in the race for City Assessor.

While most of the races were hard fought no bitterness or hard feelings are now apparent, the defeated candidates taking their defeat with good grace as becomes loyal Democrats. There is a general feeling of relief among all the people now that the election is over and everybody can again take up their work and forget politics.

The biggest Fair ever held in this section is now in progress in Lexington. The Blue Grass Fair is as far-famed as the Blue Grass and has as many attractive features as larger Fairs. Many from this section will attend. Many local horses will be raced there and this will prove a great drawing card to people of this community.

A SUBSCRIBER WRITES

Owing to the extreme hot weather, Gov. Bowen, the well known minstrel man of Winchester, who will stage a minstrel here for the benefit of the Health and Welfare League, has postponed same until the latter part of this month or the first of September. Those interested should lose no opportunity to boost the minstrel as the proceeds will be used for a worthy cause. It was first intended to have the minstrel August 16th and 17th.

GREAT SHOCK TO FRIENDS

It was a great shock to friends in this community to learn of the death of Mrs. John D. Booz, of Louisville. Mrs. Booz was before marriage, Miss Bess Rutherford, of Sharpsburg, and was well known in this city, where she has often visited.

SPLENDID ARTICLE

In the August issue of the Pacific Mutual News, published monthly at Los Angeles, we notice a splendid article entitled "The Blue Grass State," written by Mr. C. A. Dwyer, of this city. EXEMPTION BOARD BUSY

Montgomery County Board Works All Day and Until Ten O'Clock in the Night.

The Exemption Board of Montgomery county began its duties early Monday morning and worked until ten o'clock in the night. The board is composed of Sheriff Harry F. Howell, Col. A. W. Hamilton and Dr. J. A. Shirley. Dr. C. B. Duerson very kindly volunteered his services to assist Dr. Shirley and has been working with him since the board began its work. We understand 52 men were examined Monday and very few were excused on account of their physical condition although nearly every man examined filed papers claiming exemption and it now appears that it will take a great many more men to get the quota for this county than the first 176 men called for examination. It is predicted by many that fully five hundred men will have to be examined before the 88 men will be secured. The Board is doing its work quickly but thoroughly and is being assisted by a number of young men.

WANTED—Four girls to wait on table and a good cook. Board and nice room furnished if desired. Apply at National Hotel.
